

Bio: Brian Carmichael is currently at Bates College and is working with a company this summer, Comp Train as an intern creating marketing video for them.

To Whom It May Concern:

My name is Brian Carmichael and graduation Wayland high school in 2019. WayCAM was a very important place in my life. It helped me find my passion in video production, without it I would not be where I am today. I hope that WayCAM will continue to inspire the next generation of Wayland students. Mr. Mullane put so much effort into making sure that it was the best program that it can be. I hope that it stays and can continue to change students' lives, like it did for me.

Sincerely,
Brian Carmichael
